

KERN COUNTY RUGBY CLUB

2019 Men's Rugby Dues Contract

The ethos for the club this year is "All In" and that is the expectation for all players. The commitment of everyone in the club will ensure our success this season and in the seasons to come. There are several types of commitment required to take us to the next level and one of them is financial. The club incurs many expenses over the course of the season for field rentals, lights, refs, etc., and it takes the contributions of everyone to make the club successful.
